PROFESSIONAL EXPERIENCE

Freelancer

Nov 2025 - Present

Senior Frontend Developer

Contract | Remote

- Working as a freelance frontend developer for the past few months, building scalable web and mobile products for multiple clients across different domains.
- Led the frontend revamp of Rilo AI, a text-to-workflow generation platform, with complete Figma-to-code implementation and development of an interactive workflow graph UI using React Flow.
- Contributed to Bhindi.io, an iOS-based application, by extending and optimizing the application for Android users using React Native.
- **Tech Stack**: Next.js, React.js, React Native, TypeScript, JavaScript, ShadCN UI, Hero UI, Framer Motion, React Flow, Zustand, React Query, Tailwind CSS, HTML5, CSS3, Chart.js

Simbian.ai

May 2024 - Oct 2025

Lead Frontend Engineer

Full Time | Remote, Bengaluru

- Directed frontend development for AI-powered cybersecurity products (websites, SaaS platforms, dashboards) using modern UI frameworks including React.js, contributing to adoption by industry giants such as Microsoft, Infosys, TCS, Visa, Wipro, McAfee, NTT, Tech Mahindra, and others.
- Migrated a legacy Java Spring Boot system to Next.js, boosting performance scores from 55% to 95% while achieving 100% SEO, Accessibility, and Best Practices compliance.
- Enhanced application performance, security protocols, and cross-browser compatibility to ensure a robust and responsive UI.
- Collaborated with the CEO, CTO, and Head of Product, coordinating with cross-functional teams to align technical decisions with business goals.
- **Tech Stack**: React.js, Next.js, Typescript, Javascript, Redux, Zustand, React-query, TailwindCSS, Django, React-flow, Restful APIs, Chart.js.

StudioLama

Aug 2022 - Jan 2024

C.T.O | Lead Frontend Developer
